

SELFRIDGES' ICONIC ROOFTOP RESTAURANT ALTO BY SAN CARLO IDEAL FOR ALFRESCO DINING IN LONDON

[17 March 2021] Popular alfresco dining spot, Alto by San Carlo, is set to welcome back diners when Selfridges London reopens.

The idyllic outdoor setting has an open top roof and sides so customers can dine under the sun or stars, come rain or shine. In the event of rain, the restaurant will be covered by the roof, but the sides will remain open. The terrace and bar will also be open with comfortable lounge seating providing the perfect spot to soak up some rays whilst enjoying a cocktail.

Guests can enjoy traditional Italian trattoria from a limited menu, wine, cocktails and coffee seven days a week, during store opening hours. The restaurant will only be accepting walk in guests to manage capacity.

Selfridges will be welcoming customers back and making their worlds a little brighter with live entertainment at Alto throughout April. Social distancing measures will remain in place including full table service, tables spaced apart and hand sanitiser stations throughout.

All of Selfridges' other restaurants remain closed, in line with current government guidelines. Aubaine, EL&N, Dolly's, The Brass Rail, Yo Sushi and Bubble Magik at Selfridges London will offer take away options.
